DUNDEE HILLS AVA- 6/750ML

WINEMAKER'S NOTES:

The Meyer Vineyard is a long, steep site in the Dundee Hills that faces due south and features a variety of elevations, exposures, and microclimates. The 2018 Meyer is composed of fruit picked at the very beginning of harvest to produce fresh, aromatic wine that combines red cherry and raspberry with rose petal, potpourri, and graham cracker. The palate is fresh and juicy, with savory spice carried by loads of red fruit to a long, delicately balanced finish. This is a young wine that will gain in weight over the next year and age gracefully for 10+ years.
