### 2019 STERMER VINEYARD PINOT NOIR

WILLAMETTE VALLEY - 6/750ML

#### WINEMAKER'S NOTES:

Planted across from the winery in the Yamhill-Carlton AVA, Stermer Vineyard has been farmed organically since being planted in 1997. With Willakenzie marine sedimentary soils composed of a thin layer of silty-clay loam atop sandstone, the wines from this site are often full-bodied with prominent cherry, spice and earth notes. The nose of the 2019 Stermer displays Italian plum and red cherry fruit accented by notes of rose petal, sweet tobacco and peppercorn spice. The palate is medium bodied, textured and round. The finish is long and marked by sweet fruit and milk chocolate flavors.
