### 2021 STERMER VINEYARD PINOT NOIR

WILLAMETTE VALLEY - 6/750ML

#### WINEMAKER'S NOTES:

Planted across from the winery in the Yamhill-Carlton AVA, Stermer Vineyard has been farmed organically since being planted in 1997. With Willakenzie marine sedimentary soils composed of a thin layer of silty-clay loam atop sandstone, the wines from this site are often fuller-bodied with prominent cherry, spice and earth notes. The nose of the 2021 Stermer displays fresh raspberry and red cherry fruit accented by notes of lavender, anise and peppercorn spice. The palate is medium bodied, textured and round. The finish is long and marked by sweet fruit and milk chocolate flavors.
